

USING A PHOTOGRAPH OR VIDEOTAPE OF A STUDENT

Pictures of Unnamed Students: Students may occasionally appear in photographs and videotapes taken by school staff members, other students, or other individuals that may be authorized by the Superintendent. The school may use these pictures, without identifying the student, in various publications, including a school yearbook, school newspaper and school website. No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school-related act.

Pictures of Named Students: Many times the school will want to identify a student in a school picture. School officials want to acknowledge those students who participate in a school activity or deserve special recognition.

In order for the school to publish a picture with a student identified by name, one of the student's parents or guardians must sign a consent form. Please complete and sign this form to allow the school to publish or otherwise use photographs and videotapes, with your child or ward identified, while he or she is enrolled in this school.

I grant consent to Bluford Community Consolidated Grade School District #114 to identify a picture of my child or ward, by full name and/or the school he or she attends, in any school sponsored material publication, videotape, or website. This consent is valid for the entire time my child or ward is enrolled in Bluford C. C. Grade School District #114. I may revoke this consent at any time by notifying school office personnel.

Pictures of Students Taken by Non-School Activities: While the school limits access to school buildings by outside photographers, it has no control over news media or other entities that may publish a picture of a named or unnamed student. School staff members will not, however, identify a student for an outside photographer.
