Dear Parents:

Bluford Grade School receives funds from the Federal program Title I and provides a supplementary reading and/or math program at our school. Students may become eligible to attend the Title I class during the regular day if two of the three following criteria are met:

1. Qualify by standardized test scores
2. Qualify by parent request
3. Qualify by teacher recommendation

Your child _____ has been recommended for Title I services and is eligible to receive services and attend a reading and/or math class. Our Title I program is designed to provide help to those students who are having difficulty in Reading, Language Arts and/or Math. We may be working with your child both in and out of the classroom. While working within the classroom we will target your child's academic needs.

Each child that participates in Title I activities must have parent or guardian permission. This form must be signed and returned to school to indicate your acceptance or rejection.

Please check the appropriate box:
